Announcement: New Call for the Program "NoPa 2:0 German-Brazilian research cooperation in the energy sector" coming soon

Matchmaking from 24th to 26th October, 2022 in Rio de Janeiro, Brazil

Dear Sir and Madam,

Today we are proud to announce the announcement for the German/Brazilian Matchmaking event in the thematic field of

energy sector sector coupling / direct and indirect electrification (green hydrogen / PtX)

The event addresses members of German and Brazilian universities, cooperations and research institutes as well as political decision-makers. The Matchmaking event has the aim to inform on the upcoming call for applications for a German-Brazilian Higher Education Education Cooperation Programme in the Energy Sector. In order to promote the call and to give interested participants the chance to meet and get to know each other, this Matchmaking event will be held.

The program will be hosted together with the German International Corporation (GIZ) GmbH in Rio de Janeiro, Brazil. The funding of the program will be provided by the German Federal Ministry for Economic Cooperation and Development (BMZ).

Please find all relevant information about the event in the enclosed documents. The participation is free of charge. The participation will be funded by DAAD.

Costs for international transportation from Germany to event venue and inside Brazil will be covered (flight and train tickets – economy

class, taxes and security charges included). Hotel costs and full board during the event will be offered as well as expenses due to visa issues.

All interested universities may submit a letter of interest according to the stipulations of the enclosed Matchmaking call.

Deadline for Matchmaking Event for the submission of the letter of interest and respective additional documents is **14th September (0.00 am German Time, 0.00 am Brazilian Time)**.

Please send your abstract and your CV only to Ilona Daun daun@daad.de copying Helena Born h.born@daad.de and Ida Meissner meissner@daad.org.br.

The participants will be selected and informed until **20th September 2022**.

We would be pleased if our program would be of great interest to your university.

Best regards,

Ilona Daun
